- Edunex Training monitors student progress to ensure that students to complete their studies within the expected duration specified on their Confirmation of Enrolment.

2. Study Periods

- Students who do not meet course progress requirements are at risk of having their visas cancelled.
 - **For VET Students:**
 - Study periods may also be known as 'terms' and are described Training and Assessment Strategies and course outlines. They are designed to ensure the academic integrity of the course is upheld.

- Each study period is divided in half forming a monitoring point at mid and end points at which students are assessed for satisfactory course progress. A student must be identified as at risk prior to being reported as having not met satisfactory course progress requirements.
- **For ELICOS Students**
 - Study periods may also be known as 'levels' as described in Curriculum documents, typically 10-12 weeks.
 - Curriculums describe the weeks in which summative assessment occurs and these weeks also define the end of each subsequent monitoring period, typically 3-4 weeks.

3. Determining if a student has meet course progress requirements

- Students must have demonstrated **satisfactory course progress requirements** by the end each study period, which is defined as follows:
 - **For VET students** - They must have successfully completed (achieved satisfactory outcome on) at least 50% of assessment tasks they were required to submit in the ending study period.
 - Assessment task due dates are outlined in the Training & Assessment Strategy and communicated to students at the commencement of each new study period/term.
 - **For ELICOS students** - They must have achieved a passing grade of 60% on summative assessment tasks and attended at least 80% of total course classes.
 - Details of summative assessments and which weeks they occur in are outlined in the Course Curriculum and communicated to students at the commencement of each new study period/level.

4. Determining at risk students

For VET Students

- Students will be deemed at risk of not meeting course progression requirements if they:
 - do not participate in a summative assessment task.
 - do not submit an assessment task within 2 weeks of the due date.
 - have received an assessment outcome of Not Satisfactory for one or more assessment tasks.

For ELICOS Students

- Students will be deemed at risk of not meeting course progression requirements if:
 - They have not participated in formative and summative assessment tasks

 - Their total course attendance is at or below either 90% or 85% and at risk of dropping below minimum of 80%
